Mr. Andrew Tisch
Director of Reimbursement
Allegheny Health Network
120 Fifth Avenue, FAPHM-143C
Pittsburgh, PA 15222

Dear Mr. Tisch:

At the request of the Department of Human Services (DHS), we have performed the procedures enumerated below on the submitted cost report (Form MA-336) of AHN Hempfield Neighborhood Hospital for the fiscal year ended June 30, 2021. The purpose of these procedures was to certify the costs detailed in the facility's submitted MA-336 cost report. The results of these procedures are detailed below and in the adjustments section of our issued final amended MA-336 cost report. DHS will use our final amended MA-336 cost report to set the Medical Assistance reimbursement rate for this new facility.

Our engagement was limited to the procedures outlined below and was not conducted, nor was it required to be, in accordance with auditing or attestation standards issued by the American Institute of Certified Public Accountants (AICPA) or the Comptroller General of the United States.

AHN Hempfield Neighborhood Hospital (the facility) is responsible for maintaining financial records supporting the costs, charges, and days included in the facility's submitted MA-336 cost report. DHS is responsible for the reliability of the data generated from the Provider Reimbursement and Operations Management Information System (PROMISE™).¹

¹ PROMISE™ is a Web-based application for registered providers. PROMISE™ is a HIPAA-compliant claims processing and management information system. Source: <http://dhs.pa.gov/about/Pages/Online-Services.aspx> accessed 3/23/23.

We performed the following DHS-requested procedures which resulted in the associated adjustments and/or no adjustments, as noted.

1. Compared total paid MA days, MA charges, and MA discharges for the Diagnostic Related Groupings (DRG) detailed on the facility's submitted MA-336 Cost Report to the actual data supplied in the Cost Settlement Report, dated 2/08/23, and provided by the DHS from PROMISe™.
 - We determined adjustments were warranted as a result of this procedure; therefore, the final amended cost report includes the actual paid MA days, MA charges, and MA discharges for the DRG, detailed in the Cost Settlement Report, dated 2/08/23, provided by the DHS from PROMISe™. Refer to adjustments #1 and #6 on the Adjustment Report.
2. Compared total costs and total charges included in the facility's submitted MA-336 Cost Report to the total costs and total charges included in the facility's trial balance.
 - We determined an adjustment was warranted to adjust the Other Admin and General costs for proper cost reporting. In addition, a second adjustment was needed to reclassify the provider's adjustment for the sale of medical records from Medical Records Library to Other Admin & General for proper cost reporting. Refer to adjustments #4 and #5 on the Amended Adjustment Report.
3. Compared the number of beds available, number of bed days, and total inpatient days included in the facility's submitted MA-336 Cost Report to the corresponding numbers included in the facility's final accepted Medicare Cost Report.
 - We determined adjustments were warranted to adjust to the correct number of beds available and total bed days for proper cost reporting. Refer to adjustment #2 and #3 on the Amended Adjustment Report.
4. Compared the cost allocation statistics, in total, included on the facility's submitted MA-336 Cost Report to the cost allocation statistics included in the facility's final accepted Medicare Cost Report and the facility's documentation on statistics.
 - No adjustments were warranted as a result of this procedure.

We also performed procedures in addition to those requested by the DHS to attempt to determine the reliability of paid MA days, MA charges, and MA discharges data included in the DHS' PROMISe™ Cost Settlement Reports. We considered the evaluation of this data to be necessary to certify the costs detailed in the facility's submitted MA-336 cost report.

Based on the results of those procedures, and as communicated to DHS management, while we concluded that data related to paid MA charges as detailed in PROMISe™ were reliable, we concluded that the actual paid MA days and MA discharges data detailed in the PROMISe™

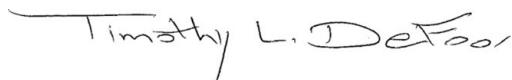

Cost Settlement Report, dated 2/08/23, is of undetermined reliability. However, the DHS confirmed that, for their purposes and use of our issued amended MA-336 cost reports, it was not necessary for us to conduct any further procedures to attempt to determine the reliability of that data, such as comparing data in the PROMISE™ system to supporting source documents at the facility. Therefore, users of this report should take into consideration that the evidence upon which we relied, at the DHS' request to calculate paid MA days and MA discharges, is of undetermined reliability.

Based on the results of the procedures noted above, except for the effects, if any, of the matter described in the preceding paragraph, we certify that the facility's reasonable costs of providing inpatient hospital care under the Commonwealth's Medical Assistance Program as detailed in the final amended MA-336 cost report are accurately stated in all material respects.

This report is intended solely for the information and use of the DHS to set the Medical Assistance reimbursement rate for this facility with a new Medical Rehab Unit, and is not intended to be, and should not be, used by anyone other than the specified party.

We appreciate the cooperation, assistance, and courtesy granted our representatives by your officials and the staff of the AHN Hempfield Neighborhood Hospital.

Sincerely,

A handwritten signature in black ink, appearing to read "Timothy L. DeFoor".
