TIMOTHY L. DEFOOR
AUDITOR GENERAL

Mr. Michael Miller, President
Allen Township Fireman's Relief Association
Northampton County

We have conducted a compliance audit of the Allen Township Fireman's Relief Association (relief association) for the period January 1, 2022, to December 31, 2023. The audit was conducted pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania; Section 403 of The Fiscal Code, 72 P.S. § 403; and the Volunteer Firefighters' Relief Association Act ("VFRA Act"), see 35 Pa.C.S. § 7418.

The objectives of the audit were:

1. To determine if the relief association took appropriate corrective action to address the findings contained in our prior audit report.
2. To determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

Our audit was limited to the areas related to the objectives identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

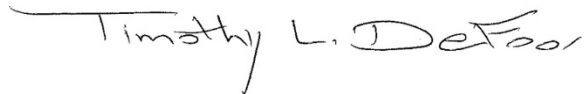

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief association funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

Based on our audit procedures, we conclude that, for the period January 1, 2022, to December 31, 2023:

- The relief association took appropriate corrective action to address one of the two findings contained in our prior audit report. However, the relief association failed to take appropriate corrective action to address the remaining finding contained in our prior audit report, as listed below, and discussed in the Status of Prior Findings section of this report.
- The relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the finding listed below and discussed later in this report.

Finding – Noncompliance With Prior Audit Recommendation – Inadequate Minutes Of Meetings

The contents of this report were discussed with the management of the relief association and, where appropriate, their response has been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania,¹ Section 403 of The Fiscal Code,² and the Volunteer Firefighters' Relief Association Act ("VFRA Act"),³ the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, commonly referred to as Act 205,⁴ are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

The VFRA Act governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, the VFRA Act authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by the VFRA Act, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the relief association officers therefore have a responsibility to the public to conduct the relief association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all relief association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the relief association operates in accordance with applicable state laws, contracts, bylaws, and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

² 72 P.S. § 403.

³ 35 Pa.C.S. § 7411 *et seq.*

⁴ 53 P.S. § 895.701 *et seq.*

BACKGROUND – (Continued)

The relief association was allocated state aid from the following municipality:

Municipality	County	2022	2023
Allen Township	Northampton	\$43,332	\$54,617

Based on the relief association’s records, its total cash as of December 31, 2023, was \$224,515, as illustrated below:

Cash	\$ 224,515
------	------------

Based on the relief association’s records, its total expenditures for the period January 1, 2022, to December 31, 2023, were \$63,331, as noted below. The accuracy of these expenditures was evaluated as part of the Department’s audit to conclude on the relief association’s compliance with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.⁵ **The scope of the Department’s audit does not include the issuance of an opinion on the accuracy of these amounts.**

Expenditures:

Fire Services:

Equipment purchased	\$ 61,911
---------------------	-----------

Administrative Services:

Bond premiums	\$ 1,264
Other administrative expenses	31
Total Administrative Services	\$ 1,295

Other Expenditures:

Undocumented expenditure *	\$ 125
----------------------------	--------

Total Expenditures	\$ 63,331
--------------------	-----------

* The relief association was unable to provide adequate supporting documentation evidencing the propriety of a \$125 expenditure made during calendar year 2022. We disclosed this issue to relief association officials during the conduct of our audit, but we did not include a finding in this report due to the relatively low dollar amount.

⁵ Accuracy was evaluated for a selection of transactions based on dollar amount, category, and/or random selection.

BACKGROUND – (Continued)

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The relief association is affiliated with the following fire service organization:

Allen Township Fire Company No. 1

ALLEN TOWNSHIP FIREMAN'S RELIEF ASSOCIATION
STATUS OF PRIOR FINDINGS

COMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The relief association has complied with one of the two prior audit findings and recommendations, as follows:

- Insufficient Surety (Fidelity) Bond Coverage

By increasing the Surety (Fidelity) bond coverage to an amount greater than the balance of the relief association's cash assets.

NONCOMPLIANCE WITH PRIOR AUDIT FINDING AND RECOMMENDATION

The relief association has not complied with one of the two prior audit findings. This finding is noted below and discussed in detail in the Findings and Recommendations section of this report:

- Inadequate Minutes Of Meetings

We are concerned by the relief association's failure to correct this previously reported audit finding. The relief association management should strive to implement the recommendation and corrective action noted in this audit report.

ALLEN TOWNSHIP FIREMAN'S RELIEF ASSOCIATION
FINDING AND RECOMMENDATION

Finding – Noncompliance With Prior Audit Recommendation – Inadequate Minutes Of Meetings

Condition: The relief association failed to maintain detailed minutes of meetings as required by the VFRA Act. Specifically, the relief association's minutes did not address all financial-related transactions that occurred during the audit period.

A similar condition was noted in our prior two audit reports.

Criteria: Section 7415(a) of the VFRA Act states, in part, that the relief association:

... must provide for taking and preserving minutes of all meetings and maintenance of such books of account as may be necessary and appropriate to afford a permanent record of its fiscal affairs.

The relief association's bylaws at Article III, Section 3 states, in part:

Secretary: The secretary shall keep a true record of the proceedings of every meeting in the minutes. The minutes shall note authorization by the membership of all association financial transactions and all other pertinent business discussed at meetings.

In addition, the relief association's bylaws at Article V, Section 1 states, in part:

All expenditures must be approved by a majority vote at an association meeting and duly recorded in the minutes.

Cause: The relief association officials indicated they neglected to document the relief association's financial transactions in the minutes of the meetings.

Effect: Without detailed minutes of meetings that address all financial-related transactions, evidence that relief association business was presented before the membership for approval does not exist.

Recommendation: We again recommend that the relief association officials maintain detailed minutes of meetings as required by the VFRA Act and the relief association's bylaws, evidencing the discussion and approval of all financial-related business conducted by the relief association. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

ALLEN TOWNSHIP FIREMAN'S RELIEF ASSOCIATION
FINDING AND RECOMMENDATION

Finding – (Continued)

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: We are concerned by the relief association's failure to correct this previously reported audit finding and strongly encourage timely implementation of the recommendation noted in this audit report.
