TIMOTHY L. DEFOOR  
AUDITOR GENERAL

Mr. Robert D. Windsor, III, President  
Eldred Boro Fire Dept., Inc. Relief  
Association  
McKean County

We have conducted a compliance audit of the Eldred Boro Fire Dept., Inc. Relief Association (relief association) for the period January 1, 2023, to December 31, 2024. The audit was conducted pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania; Section 403 of The Fiscal Code, 72 P.S. § 403; and the Volunteer Firefighters' Relief Association Act ("VFRA Act"), see 35 Pa.C.S. § 7418.

The objective of the audit was to determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

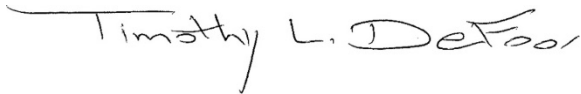

Our audit was limited to the areas related to the objective identified above and was not, nor was it required to be, conducted in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief association funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objective. We believe that our audit provides a reasonable basis for our conclusions.

Based on our audit procedures, we conclude that, for the period January 1, 2023, to December 31, 2024, the relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the finding listed below and discussed later in this report.

## BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania,<sup>1</sup> Section 403 of The Fiscal Code,<sup>2</sup> and the Volunteer Firefighters’ Relief Association Act (“VFRA Act”),<sup>3</sup> the Department of the Auditor General’s duty is to audit the accounts and records of every volunteer firefighters’ relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, commonly referred to as Act 205,<sup>4</sup> are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

The VFRA Act governs the overall operation of volunteer firefighters’ relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, the VFRA Act authorizes specific types of expenditures and prescribes appropriate volunteer firefighters’ relief association investment options. Within the parameters established by the VFRA Act, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters’ relief associations receive public tax monies, and the relief association officers therefore have a responsibility to the public to conduct the relief association’s financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all relief association transactions. Volunteer firefighters’ relief association officers are also responsible for ensuring that the relief association operates in accordance with applicable state laws, contracts, bylaws, and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters’ relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

The relief association was allocated state aid from the following municipalities:

ELDRED BORO FIRE DEPT., INC. RELIEF ASSOCIATION  
FINDING AND RECOMMENDATION

**Finding – Unauthorized Expenditures**

**Condition:** During the post audit period, the relief association incurred the following expenditures that are not authorized under the VFRA Act.

<u>Date</u>	<u>Check No.</u>	<u>Description</u>	<u>Amount</u>
06/19/2025	901	Pediatric AED pads	\$ 156
08/21/2025	905	Maintenance on non-relief owned vehicle	2,102
09/22/2025	906	Maintenance on non-relief owned vehicle	58
10/28/2025	908	Maintenance on non-relief owned vehicle	806
Total			<u>\$ 3,122</u>

**Criteria:** Section 7416(f) of the VFRA Act states:

The funds of any volunteer firefighters’ relief association may be spent:

- (1) To pay for such normal and reasonable running expenses as may be appropriate to the businesslike conduct of the affairs of the association, including legal fees, rental or purchase of offices, payment of reasonable compensation of employees and purchase of office equipment and supplies.
- (11) To purchase safeguards for preserving life, health and safety of volunteer firefighters to ensure their availability to participate in the volunteer fire service, including necessary training.

In addition, Section 7418(b) of the VFRA Act states:

- (b) Findings -- If the Auditor General finds that money received by a volunteer firefighters’ relief association has been expended for a purpose other than one authorized by this subchapter, the commissioner, upon receiving notice of the finding from the auditor general, shall decline to approve payment to the volunteer firefighters’ relief association until the improperly expended amount has been reimbursed to the relief association fund.

Costs associated with the purchase of pediatric AED pads and the payment for maintenance on non-relief owned vehicles do not qualify as authorized volunteer firefighters’ relief association expenditures; consequently, these expenditures are not authorized under the VFRA Act.

**Cause:** The relief association officials did not provide a reason why this occurred.

ELDRED BORO FIRE DEPT., INC. RELIEF ASSOCIATION  
FINDING AND RECOMMENDATION

**Finding – (Continued)**

Effect: As a result of the unauthorized expenditures, relief association funds were not available for investment purposes or for expenditures authorized by the VFRA Act. In addition, because of stipulations within the VFRA Act, failure to obtain reimbursement of the unauthorized expenditures may result in a withholding of future state aid allocations until the monies related to the unauthorized expenditures identified in the finding have been reimbursed to the relief association.

Recommendation: We recommend that the relief association be reimbursed \$3,122 for the unauthorized expenditures and that relief association officials become familiar with Section 7416(f) of the VFRA Act to aid them in determining the propriety of future expenditures. All supporting documentation verifying the reimbursement for the unauthorized expenditures should be submitted by the relief association to: Department of the Auditor General, Bureau of Fire Relief Audits, Room 316-E Finance Building, Harrisburg, PA 17120. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management Response: Relief association management agreed with the finding as presented at the audit exit conference and, as a result of our audit, the relief association was partially reimbursed \$1,000 by the affiliated fire company. The remaining balance to be reimbursed is \$2,122.

Auditor's Conclusion: We reviewed documentation verifying the receipt and deposit of the \$1,000 partial reimbursement received from the affiliated fire company. Compliance for the reimbursement of the outstanding balance of \$2,122 and for authorized expenditures made during the next audit period will be subject to verification.
