**TIMOTHY L. DEFOOR
AUDITOR GENERAL**

Mr. Ralph Bensing, President
Jermyn Borough Fireman's
Relief Association
Lackawanna County

We have conducted a compliance audit of the Jermyn Borough Fireman's Relief Association (relief association) for the period January 1, 2021, to December 31, 2023. The audit was conducted pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania; Section 403 of The Fiscal Code, 72 P.S. § 403; and the Volunteer Firefighters' Relief Association Act ("VFRA Act"), see 35 Pa.C.S. § 7418.

The objectives of the audit were:

1. To determine if the relief association took appropriate corrective action to address the findings contained in our prior audit report.
2. To determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

Our audit was limited to the areas related to the objectives identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief association funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

Based on our audit procedures, we conclude that, for the period January 1, 2021, to December 31, 2023:

- The relief association did not take appropriate corrective action to address the findings contained in our prior audit report, as detailed below, and discussed in the Status of Prior Findings section of this report.
- The relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the findings listed below and discussed later in this report.

Finding No. 1 – Noncompliance With Prior Audit Recommendation – Failure To Maintain A Complete And Accurate Equipment Roster

Finding No. 2 – Noncompliance With Prior Audit Recommendation – Failure To Maintain A Complete And Accurate Membership Roster

The contents of this report were discussed with the management of the relief association and, where appropriate, their responses have been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code¹, and the Volunteer Firefighters' Relief Association Act² ("VFRA Act"), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law³ (commonly referred to as Act 205) are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

The VFRA Act governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, the VFRA Act authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by the VFRA Act, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the relief association officers therefore have a responsibility to the public to conduct the relief association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all relief association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the relief association operates in accordance with applicable state laws, contracts, bylaws, and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

The relief association was allocated state aid from the following municipality:

<u>Municipality</u>	<u>County</u>	<u>2021</u>	<u>2022</u>	<u>2023</u>
Jermyn Borough	Lackawanna	\$8,777	\$10,684	\$10,757

¹ 72 P.S. § 403 (as last amended by Act 44 of 2017).

² 35 Pa.C.S. § 7411 *et seq.* See specifically, 35 Pa.C.S. § 7418 (amended by Act 91 of 2020).

³ 53 P.S. § 895.701 *et seq.* (Act 205 of 1984, as amended by Act 119 of 1990).

JERMYN BOROUGH FIREMAN'S RELIEF ASSOCIATION
STATUS OF PRIOR FINDINGS

NONCOMPLIANCE WITH PRIOR AUDIT FINDINGS AND RECOMMENDATIONS

The relief association has not complied with the following prior audit findings. These findings are noted below and discussed in detail in the Findings and Recommendations section of this report:

- Failure To Maintain A Complete And Accurate Equipment Roster

- Failure To Maintain A Complete And Accurate Membership Roster

We are concerned by the relief association's failure to correct those previously reported audit findings. The relief association management should strive to implement the recommendations and corrective actions noted in this audit report.

JERMYN BOROUGH FIREMAN'S RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

**Finding No. 1 – Noncompliance With Prior Audit Recommendation – Failure To Maintain
A Complete And Accurate Equipment Roster**

Condition: The relief association failed to maintain a complete and accurate roster of equipment owned by the relief association. Although a listing of relief association owned equipment was provided during the current audit, this listing was incomplete and did not accurately identify all the equipment owned by the relief association. The relief association purchased \$16,041 of equipment during the current audit period, but the equipment for \$2,497 of those purchases was not properly accounted for on the relief association's equipment roster. In addition, although relief association officials indicated that a physical inventory of equipment was conducted on an annual basis, there was insufficient evidence to demonstrate the extent of the annual physical inventories conducted.

A similar condition was noted in our prior audit report.

Criteria: Prudent business practice dictates that the relief association should establish adequate internal control procedures to ensure the maintenance of a cumulative equipment roster of all items purchased by the relief association and perform and document an annual physical inventory of all operable equipment in order to provide an effective accounting control over the relief association's equipment. A cumulative equipment roster of all relief association equipment should include all the following:

- Types of equipment purchased
- Dates of purchase
- Unit costs
- Names of suppliers
- Serial numbers, if applicable
- Current locations of items
- Final dispositions of sold or damaged equipment
- Evidence of the performance and results of an annual physical inventory

Cause: The relief association officials did not provide a reason why this occurred despite the relief association being notified of this condition during our prior audit. The relief association officials indicated that only one of the two affiliated fire companies provided a roster of equipment purchased by the relief association.

Effect: The continued failure to properly record equipment purchases in a detailed equipment roster prevents officials from effectively monitoring the relief association's equipment purchases. In addition, the failure to maintain a detailed equipment roster and perform an annual physical inventory of equipment prevents adequate accountability for, and safeguarding of, relief association equipment.

JERMYN BOROUGH FIREMAN'S RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – (Continued)

Recommendation: We again recommend that the relief association officials maintain a cumulative equipment roster of all equipment owned by the relief association. Furthermore, the relief association should ensure it performs an annual physical inventory of all operable equipment and that the completion of the inventory be sufficiently documented. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: We are concerned by the relief association's failure to correct this previously reported audit finding and strongly encourage timely implementation of the recommendation noted in this audit report.

Finding No. 2 – Noncompliance With Prior Audit Recommendation – Failure To Maintain A Complete And Accurate Membership Roster

Condition: The relief association officials did not maintain a complete and accurate roster of relief association members.

A similar condition was noted in our prior audit report.

Criteria: Relief association officials should maintain a complete and accurate roster of the relief association's membership, as identified by criteria set forth in the relief association's bylaws. A comprehensive roster of all relief association members should include the following:

- Names of each member
- Members' mailing addresses
- Dates of births
- Dates of memberships
- Membership classifications

In addition, when warranted, a notation should be made on the roster identifying the date of a member's resignation or death.

Cause: Relief association officials did not provide a reason why this occurred despite the relief association being notified of this condition during our prior audit. The relief association officials indicated that only one of the two affiliated fire companies provided a membership roster.

JERMYN BOROUGH FIREMAN'S RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 2 – (Continued)

Effect: The failure to maintain a comprehensive membership roster could result in the payment of benefits to nonmembers or deprive eligible relief association members from receiving authorized benefit payments.

Recommendation: We again recommend that the relief association officials compile and maintain a complete and accurate roster of the relief association's membership. For additional guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: We are concerned by the relief association's failure to correct this previously reported audit finding and strongly encourage timely implementation of the recommendation noted in this audit report.
