TIMOTHY L. DEFOOR AUDITOR GENERAL

Mr. Adam White, President Meyersdale Volunteer Fire Department Relief Association Somerset County

We have conducted a compliance audit of the Meyersdale Volunteer Fire Department Relief Association (relief association) for the period January 1, 2021, to December 31, 2023. The audit was conducted pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania; Section 403 of The Fiscal Code, 72 P.S. § 403; and the Volunteer Firefighters' Relief Association Act ("VFRA Act"), see 35 Pa.C.S. § 7418.

The objective of the audit was to determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds. Our audit was limited to the areas related to the objective identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief association funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objective. We believe that our audit provides a reasonable basis for our conclusions.

Based on our audit procedures, we conclude that, for the period January 1, 2021, to December 31, 2023, the relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the finding listed below and discussed later in this report.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code¹, and the Volunteer Firefighters' Relief Association Act² ("VFRA Act"), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law³ (commonly referred to as Act 205) are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

The VFRA Act governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, the VFRA Act authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by the VFRA Act, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the relief association officers therefore have a responsibility to the public to conduct the relief association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all relief association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the relief association operates in accordance with applicable state laws, contracts, bylaws, and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

MEYERSDALE VOLUNTEER FIRE DEPARTMENT RELIEF ASSOCIATION FINDING AND RECOMMENDATION

Finding – Untimely Receipt And Deposit Of State Aid

<u>Condition</u>: Although Callimont Borough prepared and returned a Certification Form AG 385 for 2022 by the March 31 annual filing date in accordance with Act 205, the borough did not distribute the 2022 state aid in the amount of \$271 to the relief association in a timely manner. The foreign fire insurance tax allocation was distributed to the municipal treasurer on September 21, 2022, who forwarded this state aid to the relief association on March 15, 2023, which is not within 60 days of receipt, as required by Section 706 (b)(2) of the Act of December 18, 1984, (P.L. 1005, No. 205). In addition, Callimont Borough failed to complete the Receipt And Distribution Of Foreign Fire Insurance Premium Tax Form 706-B online as required by the instructions accompanying Form 706-B and the 2022 state aid allocation received by Callimont Borough disclosing this information until March 10, 2023. The relief association had no documentation that it had attempted to obtain the funds from Callimont Borough. Upon receipt of the state aid allocation, the relief association deposited the funds into a relief association account on April 11, 2023.

<u>Criteria</u>: Section 706 (b)(2) of the Act of December 18, 1984, (P.L. 1005, No. 205), states:

The foreign fire insurance premium tax amount applicable to a municipality served solely by volunteer firefighters shall be paid to the municipality, which shall within 60 days of the date of the receipt of the moneys from the State Treasurer pay the amount received to the relief association fund of the fire department or departments, or fire company or companies, now existing or hereafter organized, inside or outside of the municipality, which is or are actively engaged in the service of the municipality and duly recognized by the governing body of the municipality.

Furthermore, prudent business practice dictates that the relief association officials should be questioning the municipality about their state aid if only one relief association is in the fire service area and upon receipt of its state aid allocation, the relief association should establish adequate internal control procedures to ensure state aid funds are obtained and deposited in a timely manner.

<u>Cause</u>: The relief association officials stated they did not receive the state aid from the borough until March of the following year.

<u>Effect</u>: As a result of the untimely receipt and deposit, funds were not available to pay general operating expenses or for investment purposes. In addition, an untimely receipt and deposit of funds increases the risk that funds could be lost or misappropriated.

<u>Recommendation</u>: We recommend that the relief association officials adopt internal control procedures to ensure the timely receipt and deposit of all future income received. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.
