TIMOTHY L. DEFOOR AUDITOR GENERAL

Mr. Kenton Eric Martin, President Port Trevorton Volunteer Firemen's Relief Association Snyder County

We have conducted a compliance audit of the Port Trevorton Volunteer Firemen's Relief Association (relief association) for the period January 1, 2022, to December 31, 2023. The audit was conducted pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania; Section 403 of The Fiscal Code, 72 P.S. § 403; and the Volunteer Firefighters' Relief Association Act ("VFRA Act"), see 35 Pa.C.S. § 7418.

The objective of the audit was to determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds. Our audit was limited to the areas related to the objective identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief association funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objective. We believe that our audit provides a reasonable basis for our conclusions.

Based on our audit procedures, we conclude that, because of the significance of the matter described in Finding No. 1 below and discussed later in this report, the relief association did not, in all significant respects, comply with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, collectively as a whole, for the period January 1, 2022, to December 31, 2023. Therefore, the relief association may be subject to the potential withholding of its future state aid distribution, as discussed in the Potential Withhold of State Aid section of this report.

Finding No. 1 – Unauthorized Expenditures

Timothy L. Detool

Finding No. 2 – Failure To Maintain A Complete And Accurate Equipment Roster

The contents of this report were discussed with the management of the relief association and, where appropriate, their responses have been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

Timothy L. DeFoor Auditor General

#### **BACKGROUND**

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code<sup>1</sup>, and the Volunteer Firefighters' Relief Association Act<sup>2</sup> ("VFRA Act"), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law<sup>3</sup> (commonly referred to as Act 205) are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

The VFRA Act governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, the VFRA Act authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by the VFRA Act, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the relief association officers therefore have a responsibility to the public to conduct the relief association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all relief association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the relief association operates in accordance with applicable state laws, contracts, bylaws, and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

<sup>&</sup>lt;sup>1</sup> 72 P.S. § 403 (as last amended by Act 44 of 2017).

<sup>&</sup>lt;sup>2</sup> 35 Pa.C.S. § 7411 et seq. See specifically, 35 Pa.C.S. § 7418 (amended by Act 91 of 2020).

#### **BACKGROUND – (Continued)**

The relief association was allocated state aid from the following municipalities:

| Municipality     | County | 2022    | 2023    |
|------------------|--------|---------|---------|
|                  |        |         |         |
| Chapman Township | Snyder | \$8,555 | \$8,703 |
| Union Township   | Snyder | \$9,233 | \$9,323 |

Based on the relief association's records, its total cash as of December 31, 2023, was \$53,491, as illustrated below:

Cash \$ 53,491

Based on the relief association's records, its total expenditures for the period January 1, 2022, to December 31, 2023, were \$53,529, as noted below. The accuracy of these expenditures was evaluated as part of the Department's audit to conclude on the relief association's compliance with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds. The scope of the Department's audit does not include the issuance of an opinion on the accuracy of these amounts.

### **BACKGROUND** – (Continued)

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The relief association is affiliated with the following fire service organization:

Port Trevorton Volunteer Fire Company

### PORT TREVORTON VOLUNTEER FIREMEN'S RELIEF ASSOCIATION FINDINGS AND RECOMMENDATIONS

#### <u>Finding No. 1 – Unauthorized Expenditures</u>

<u>Condition</u>: The relief association expended funds for the following items during the current audit period that are not authorized by the VFRA Act:

| Date                     | Check No.    | Description  | <br>Amount           |
|--------------------------|--------------|--|----------------------|
| 02/20/2023<br>11/13/2023 | 1215<br>1225 | Affiliated fire company's insurance policy premium<br>Affiliated fire company's insurance policy premium | \$<br>1,867<br>4,918 |
|                          |              | Total  | \$<br>6,785          |

Criteria: Section 7416(f) of the VFRA Act states:

The funds of any volunteer firefighters' relief association may be spent:

- (1) To pay for such normal and reasonable running expenses as may be appropriate to the businesslike conduct of the affairs of the association, including legal fees, rental or purchase of offices, payment of reasonable compensation of employees and purchase of office equipment and supplies.
- (11) To purchase safeguards for preserving life, health and safety of volunteer firefighters to ensure their availability to participate in the volunteer fire service, including necessary training.
- (12) To secure insurance against the legal liability of volunteer firefighters for loss and expense from claims arising out of performance of official and authorized duties while going to, returning from or attending fires or performing their duties as special fire police.

In addition, Section 7418(b) of the VFRA Act states:

(b) Findings -- If the Auditor General finds that money received by a volunteer firefighters' relief association has been expended for a purpose other than one authorized by this subchapter, the commissioner, upon receiving notice of the finding from the auditor general, shall decline to approve payment to the volunteer firefighters' relief association until the improperly expended amount has been reimbursed to the relief association fund.

### PORT TREVORTON VOLUNTEER FIREMEN'S RELIEF ASSOCIATION FINDINGS AND RECOMMENDATIONS

### Finding No. 1 – (Continued)

Costs associated with the payment of the affiliated fire company's insurance policy premiums do not qualify as authorized volunteer firefighters' relief association expenditures; consequently, these disbursements are not authorized under the VFRA Act.

<u>Cause</u>: The relief association officials did not provide a reason why this occurred.

<u>Effect</u>: As a result of these improper expenditures, relief association funds were not available for investment purposes, or to pay for expenditures authorized by the VFRA Act. Furthermore, the relief association's future state aid allocations may be withheld until the finding recommendation is complied with.

Recommendation: We recommend that the relief association be reimbursed \$6,785 for the unauthorized expenditures and that relief association officials become familiar with Section 7416(f) of the VFRA Act to aid them in determining the propriety of future expenditures. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

<u>Management's Response</u>: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

<u>Auditor's Conclusion</u>: Due to the potential withhold of state aid, the relief association's compliance with the finding recommendation will be monitored subsequent to the release of the audit report and through our next audit of the relief association.

#### Finding No. 2 – Failure To Maintain A Complete And Accurate Equipment Roster

Condition: As cited as a verbal observation in the prior audit period, the relief association failed to maintain a complete and accurate roster of equipment owned by the relief association. Although a listing of relief association owned equipment was provided during the current audit, it was incomplete because it did not contain the names of suppliers (vendors) and cost of equipment to accurately identify equipment owned by the relief association. As such, it was impossible to determine if all equipment purchased during the audit period in the amount of \$22,528 was recorded. In addition, there was no indication that a physical inventory of equipment was conducted on an annual basis to account for the equipment owned by the relief association.

### PORT TREVORTON VOLUNTEER FIREMEN'S RELIEF ASSOCIATION FINDINGS AND RECOMMENDATIONS

### Finding No. 2 – (Continued)

<u>Criteria</u>: Prudent business practice dictates that the relief association should establish adequate internal control procedures to ensure the maintenance of a cumulative equipment roster of all items purchased by the relief association and perform and document an annual physical inventory of all operable equipment in order to provide an effective accounting control over the relief association's equipment. A cumulative equipment roster of all relief association equipment should include all the following:

- Types of equipment purchased
- Dates of purchase
- Unit costs
- Names of suppliers
- Serial numbers, if applicable
- Current locations of items
- Final dispositions of sold or damaged equipment
- Evidence of the performance and results of an annual physical inventory

<u>Cause</u>: The relief association officials did not provide a reason why this occurred.

<u>Effect</u>: The failure to properly record equipment purchases in a detailed equipment roster prevents officials from effectively monitoring the relief association's equipment purchases. In addition, the failure to maintain a detailed equipment roster and perform an annual physical inventory of equipment prevents adequate accountability for, and safeguarding of, relief association equipment.

<u>Recommendation</u>: We recommend that the relief association officials maintain a cumulative equipment roster of all equipment owned by the relief association. Furthermore, the relief association should ensure it performs an annual physical inventory of all operable equipment and that the completion of the inventory be sufficiently documented. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

<u>Management's Response</u>: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit

# PORT TREVORTON VOLUNTEER FIREMEN'S RELIEF ASSOCIATION POTENTIAL WITHHOLD OF STATE AID

A condition such as that reported by Finding No. 1 contained in this audit report may lead to a total withholding of state aid in the future unless that finding is corrected. However, such action may not be considered if sufficient documentation is provided within 60 days to verify compliance with this department's recommendations. Such documentation should be submitted by the relief association to: Department of the Auditor General, Bureau of Fire Relief Audits, Room 316E Finance Building, Harrisburg, PA 17120.
