TIMOTHY L. DEFOOR
AUDITOR GENERAL

Mr. Ronald Hulsizer, President
Roseto Borough Firemen's
Relief Association
Northampton County

We have conducted a compliance audit of the Roseto Borough Firemen's Relief Association (relief association) for the period January 1, 2022, to December 31, 2023. The audit was conducted pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania; Section 403 of The Fiscal Code, 72 P.S. § 403; and the Volunteer Firefighters' Relief Association Act ("VFRA Act"), see 35 Pa.C.S. § 7418.

The objectives of the audit were:

1. To determine if the relief association took appropriate corrective action to address the finding contained in our prior audit report.
2. To determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

Our audit was limited to the areas related to the objectives identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

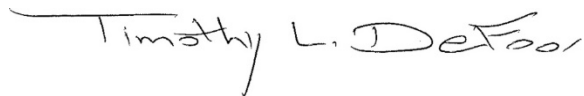

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief association funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

Based on our audit procedures, we conclude that, for the period January 1, 2022, to December 31, 2023:

- The relief association took appropriate corrective action to address the finding contained in our prior audit report.
- The relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the finding listed below and discussed later in this report.

Finding – Inadequate Minutes Of Meetings And Relief Association Bylaws

The contents of this report were discussed with the management of the relief association and, where appropriate, their response has been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code¹, and the Volunteer Firefighters' Relief Association Act² ("VFRA Act"), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law³ (commonly referred to as Act 205) are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

The VFRA Act governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, the VFRA Act authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by the VFRA Act, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the relief association officers therefore have a responsibility to the public to conduct the relief association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all relief association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the relief association operates in accordance with applicable state laws, contracts, bylaws, and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

ROSETO BOROUGH FIREMEN'S RELIEF ASSOCIATION
FINDING AND RECOMMENDATION

Finding – Inadequate Minutes Of Meetings And Relief Association Bylaws

Condition: The relief association failed to maintain detailed minutes of meetings as required by the VFRA Act and the relief association's bylaws. Specifically, the relief association's minutes did not address all financial-related transactions that occurred during the audit period. In addition, meetings were only held in three months during calendar year 2022, and four-months during calendar year 2023. Furthermore, the existing bylaws of the relief association contains language to conduct business pertaining to the disbursement, investment, and purchase of funds that is based on Act 84 of June 11, 1968. The relief association has not updated the bylaws to govern their organization to meet the requirements set forth in the VFRA Act.

Criteria: Section 7415(a) of the VFRA Act states, in part, that the relief association:

... must provide for taking and preserving minutes of all meetings and maintenance of such books of account as may be necessary and appropriate to afford a permanent record of its fiscal affairs.

The relief association's bylaws at Article III, Section 1 states, in part:

Regular meetings of this Association shall be held on the last Thursday of each month immediately following the regular meeting of the Columbia Fire Company #1.

Also, the relief association's bylaws at Article IV, Section 3 states, in part:

The secretary shall keep a true record of the proceedings of every meeting in the minutes. The minutes shall note authorization by the membership of all transactions and all other pertinent business discussed at meetings.

Cause: The relief association officials indicated that they were unaware that maintaining detailed minutes of meetings was required by the VFRA Act and the relief association's bylaws. In addition, the relief association officials did not provide a reason why financial transactions were not addressed within the meeting minutes, why all required meetings were not held, or why the bylaws were not updated to meet the requirements of the VFRA Act.

ROSETO BOROUGH FIREMEN'S RELIEF ASSOCIATION
FINDING AND RECOMMENDATION

Finding – (Continued)

Effect: Without holding regular meetings and maintaining detailed minutes of meetings that address all financial-related transactions, evidence does not exist that relief association business was presented before the membership for approval. As a result of the relief association not updating the bylaws to meet the appropriate requirements, the relief association may have conducted its affairs without proper authorization.

Recommendation: We recommend that the relief association officials hold all required meetings and maintain detailed minutes of meetings as required by the VFRA Act and the relief association's bylaws, evidencing the discussion and approval of all financial-related business conducted by the relief association. In addition, we recommend that the relief association officials remove the language referring to Act 84 by updating the bylaws governing their organization so that the bylaws meet the requirements set forth in the VFRA Act. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor's Conclusion: Compliance will be subject to verification through our next audit.
