TIMOTHY L. DEFOOR
AUDITOR GENERAL

Mr. Michael Banachoski, President
The Parkview Volunteer
Fire Department
Relief Association
Allegheny County

We have conducted a compliance audit of The Parkview Volunteer Fire Department Relief Association (relief association) for the period January 1, 2022, to December 31, 2024. The audit was conducted pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania; Section 403 of The Fiscal Code, 72 P.S. § 403; and the Volunteer Firefighters' Relief Association Act ("VFRA Act"), see 35 Pa.C.S. § 7418.

The objectives of the audit were:

1. To determine if the relief association took appropriate corrective action to address the findings contained in our prior audit report.
2. To determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

Our audit was limited to the areas related to the objectives identified above and was not, nor was it required to be, conducted in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief association funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

Based on our audit procedures, we conclude that, for the period January 1, 2022, to December 31, 2024:

- The relief association took appropriate corrective action to address the findings contained in our prior audit report.
- The relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the finding listed below and discussed later in this report.

Finding – Insufficient Surety (Fidelity) Bond Coverage

The contents of this report were discussed with the management of the relief association, and where appropriate, their response has been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania,¹ Section 403 of The Fiscal Code,² and the Volunteer Firefighters' Relief Association Act ("VFRA Act"),³ the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, commonly referred to as Act 205,⁴ are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

The VFRA Act governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, the VFRA Act authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by the VFRA Act, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the relief association officers therefore have a responsibility to the public to conduct the relief association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all relief association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the relief association operates in accordance with applicable state laws, contracts, bylaws, and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

BACKGROUND – (Continued)

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The relief association is affiliated with the following fire service organization:

Parkview Volunteer Fire Department

THE PARKVIEW VOLUNTEER FIRE DEPARTMENT RELIEF ASSOCIATION
STATUS OF PRIOR FINDINGS

COMPLIANCE WITH PRIOR AUDIT FINDINGS AND RECOMMENDATIONS

The relief association has complied with the prior audit findings and recommendations, as follows:

- Unauthorized Expenditure

By receiving reimbursement of \$6,455 from the affiliated fire company for the unauthorized expenditure made in the prior audit period.

- Failure To Maintain Minutes Of Meetings

By maintaining minutes of all relief association meetings held during the period.

THE PARKVIEW VOLUNTEER FIRE DEPARTMENT RELIEF ASSOCIATION
FINDING AND RECOMMENDATION

Finding – Insufficient Surety (Fidelity) Bond Coverage

Condition: During the audit period, the relief association did not maintain sufficient surety (fidelity) bond coverage on its authorized disbursing officer necessary to cover the relief association's maximum cash balance. The relief association's surety (fidelity) bond coverage amount was \$150,000; however, at times during the audit period, the relief association's maximum cash balance exceeded the surety bond coverage.

Criteria: Section 7415(c)(4) of the VFRA Act states, in part, that:

. . . the disbursing officer, whether designated treasurer, comptroller, financial secretary or otherwise, shall be bonded by corporate surety for faithful performance of duty. The amount of the bond shall be at least as great as the maximum cash balance in current funds of the association at any time during the fiscal year, and the premium on the bond shall be a proper charge against the funds of the association.

In addition, Article IV, Section 4 of the relief association's bylaws states, in part:

The treasurer shall be bonded.

Cause: Relief association officials failed to monitor the relief association's maximum cash balance during the audit period to ensure that the surety (fidelity) bond coverage on the relief association's authorized disbursing officer complied with the provisions of the VFRA Act.

Effect: As a result of the insufficient surety bond coverage on the authorized disbursing officer of the relief association, the relief association's maximum cash balance during the audit period was not adequately safeguarded in the event the disbursing officer commits a wrongful or fraudulent act. Additionally, without sufficient surety bond coverage, the relief association is not in compliance with the VFRA Act.

THE PARKVIEW VOLUNTEER FIRE DEPARTMENT RELIEF ASSOCIATION
FINDING AND RECOMMENDATION

Finding – (Continued)

Recommendation: We recommend that the relief association ensure that its surety (fidelity) bond on the relief association's authorized disbursing officer sufficiently covers the relief association's maximum cash balance as required by the VFRA Act. This requirement may be accomplished by increasing the surety (fidelity) bond coverage on the relief association's authorized disbursing officer to an amount greater than the expected maximum cash balance of the relief association, or by decreasing the relief association's maximum cash balance through a transfer of funds to an authorized investment account. In addition, relief association officials should monitor the relief association's cash balance to ensure that unexpected events affecting the relief association's current funds do not again result in insufficient surety (fidelity) bond coverage on the relief association's authorized disbursing officer. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management Response: Relief association management agreed with the finding as presented at the audit exit conference and, as a result of our audit, the relief association increased its surety bond coverage to \$200,000 on July 22, 2025.

Auditor's Conclusion: We reviewed documentation verifying that the surety bond coverage was increased to \$200,000. Compliance for sufficient surety bond coverage during the next audit period will be subject to verification.
