Mr. Paul Padula, President
Wilkins Township Firemen's
Relief Association
Allegheny County

We have conducted a compliance audit of the Wilkins Township Firemen's Relief Association (relief association) for the period January 1, 2021, to December 31, 2023. The audit was conducted pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania; Section 403 of The Fiscal Code, 72 P.S. § 403; and the Volunteer Firefighters' Relief Association Act ("VFRA Act"), see 35 Pa.C.S. § 7418.

The objectives of the audit were:

1. To determine if the relief association took appropriate corrective action to address the findings contained in our prior audit report.
2. To determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

Our audit was limited to the areas related to the objectives identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief association funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

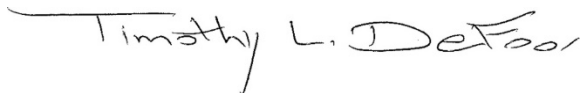

Based on our audit procedures, we conclude that, for the period January 1, 2021, to December 31, 2023:

- The relief association took appropriate corrective action to address the findings contained in our prior audit report.
- The relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the findings listed below and discussed later in this report.

Finding No. 1 – Unauthorized Expenditures

Finding No. 2 – Undocumented Expenditure

The contents of this report were discussed with the management of the relief association and, where appropriate, their responses have been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code¹, and the Volunteer Firefighters' Relief Association Act² ("VFRA Act"), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law³ (commonly referred to as Act 205) are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

The VFRA Act governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, the VFRA Act authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by the VFRA Act, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the relief association officers therefore have a responsibility to the public to conduct the relief association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all relief association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the relief association operates in accordance with applicable state laws, contracts, bylaws, and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

The relief association was allocated state aid from the following municipality:

WILKINS TOWNSHIP FIREMEN'S RELIEF ASSOCIATION
STATUS OF PRIOR FINDINGS

COMPLIANCE WITH PRIOR AUDIT FINDINGS AND RECOMMENDATIONS

The relief association has complied with the prior audit findings and recommendations, as follows:

- Failure To Secure Ownership Interest In Jointly Purchased Equipment

By executing a written formal agreement with the affiliated fire company that adequately secures its proportional ownership interest in the jointly purchased equipment.

- Failure To Disclose Related Party Transactions

By adopting internal control procedures to ensure that any related party situation and/or transaction is voted on by the membership and documented in the meeting minutes.

- Failure To Maintain Minutes Of Meetings

By maintaining minutes of all relief association meetings held during the period.

WILKINS TOWNSHIP FIREMEN'S RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – Unauthorized Expenditures

Condition: The relief association expended funds for the following items during the current audit period that are not authorized by the VFRA Act:

<u>Date</u>	<u>Check No.</u>	<u>Description</u>	<u>Amount</u>
08/05/2021	EFT	Dress uniforms	\$ 1,669
12/28/2021	EFT	Dress uniforms	<u>4,751</u>
Total			<u>\$ 6,420</u>

Criteria: Section 7416(f) of the VFRA Act states:

The funds of any volunteer firefighters' relief association may be spent:

- (1) To pay for such normal and reasonable running expenses as may be appropriate to the businesslike conduct of the affairs of the association, including legal fees, rental or purchase of offices, payment of reasonable compensation of employees and purchase of office equipment and supplies.
- (11) To purchase safeguards for preserving life, health and safety of volunteer firefighters to ensure their availability to participate in the volunteer fire service, including necessary training.

In addition, Section 7418(b) of the VFRA Act states:

- (b) Findings -- If the Auditor General finds that money received by a volunteer firefighters' relief association has been expended for a purpose other than one authorized by this subchapter, the commissioner, upon receiving notice of the finding from the auditor general, shall decline to approve payment to the volunteer firefighters' relief association until the improperly expended amount has been reimbursed to the relief association fund.

Costs associated with the purchase of dress uniforms do not qualify as authorized volunteer firefighters' relief association expenditures; consequently, these disbursements are not authorized under the VFRA Act.

Cause: The relief association officials did not provide a reason why this occurred.

WILKINS TOWNSHIP FIREMEN'S RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 1 – (Continued)

Effect: As a result of these improper expenditures, relief association funds were not available for investment purposes, or to pay for expenditures authorized by the VFRA Act.

Recommendation: We recommend that the relief association be reimbursed \$6,420 for the unauthorized expenditures and that relief association officials become familiar with Section 7416(f) of the VFRA Act to aid them in determining the propriety of future expenditures. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and, as a result of our audit, the affiliated fire company reimbursed the relief association \$6,420 for the unauthorized expenditures on September 23, 2024.

Auditor's Conclusion: We reviewed documentation verifying that the reimbursement of \$6,420 was received. Compliance for expenditures made during the next audit period will be subject to verification through our next audit.

Finding No. 2 – Undocumented Expenditure

Condition: The relief association was unable to provide adequate supporting documentation for an expenditure amounting of \$1,652 to a clothing vendor on March 6, 2023.

Criteria: Section 7418(a) of the VFRA Act states:

The Office of Auditor General shall have the power and its duty shall be to audit the accounts and records of every volunteer firefighters' relief association receiving money under Chapter 7 of the Act of December 18, 1984 (P.L. 1005, No. 205), known as the Municipal Pension Plan Funding Standard and Recovery Act, as far as may be necessary to satisfy the Auditor General that the money received was or is being expended for no purpose other than that authorized by this subchapter. Copies of all audits shall be furnished to the Governor.

Prudent business practice dictates that supporting documentation be maintained to evidence the propriety of all financial transactions.

Cause: The relief association officials did not provide a reason why this occurred.

WILKINS TOWNSHIP FIREMEN'S RELIEF ASSOCIATION
FINDINGS AND RECOMMENDATIONS

Finding No. 2 – (Continued)

Effect: Lack of supporting documentation, such as an invoice and/or itemized receipt, made it impossible to determine if the expenditure was made in accordance with Section 7416(f) of the VFRA Act. In addition, the failure to maintain adequate supporting documentation for relief association expenditures can lead to an increased risk of errors occurring and funds being misappropriated.

Recommendation: We recommend that the relief association officials provide this department with adequate supporting documentation, such as an invoice and/or itemized receipt, to ensure the propriety of the expenditure or that the relief association be reimbursed \$1,652 for the undocumented expenditure. We also recommend that the relief association officials maintain supporting documentation for all future expenditures. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.

Management's Response: Relief association management agreed with the finding as presented at the audit exit conference and, as a result of our audit, the affiliated fire company reimbursed the relief association \$1,652 for the undocumented expenditure on September 23, 2024.

Auditor's Conclusion: We reviewed documentation verifying that the reimbursement of \$1,652 was received. Compliance for maintaining appropriate documentation for expenditures made during the next audit period will be subject to verification through our next audit.
