AUDITOR GENERAL**

Mr. Robert E. Coletta, President
Youngwood Volunteer Hose Company
No. 1 Relief Association
Westmoreland County

We have conducted a compliance audit of the Youngwood Volunteer Hose Company No. 1 Relief Association (relief association) for the period January 1, 2021, to December 31, 2023. The audit was conducted pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania; Section 403 of The Fiscal Code, 72 P.S. § 403; and the Volunteer Firefighters' Relief Association Act ("VFRA Act"), see 35 Pa.C.S. § 7418.

The objectives of the audit were:

1. To determine if the relief association took appropriate corrective action to address the finding contained in our prior audit report.
2. To determine if the relief association complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds.

Our audit was limited to the areas related to the objectives identified above and was not, nor was it required to be, conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

Relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the relief association's administration of state aid and accumulated relief association funds complies with applicable state laws, contracts, bylaws, and administrative procedures, including the safeguarding of assets. Relief association officers are responsible for complying with applicable state laws, contracts, bylaws, and administrative procedures. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objectives. We believe that our audit provides a reasonable basis for our conclusions.

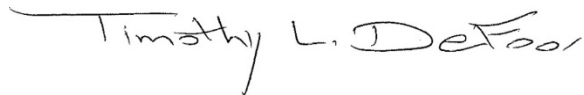

We were not able to obtain an independent confirmation of a portion of the investment balance directly from the financial institution. Therefore, while the relief association provided copies of investment statements that indicated that, as of December 31, 2023, the relief association had an investment balance with a fair value of \$451,598, we were not able to verify a portion of this investment balance.

Based on our audit procedures, we conclude that, except for the effects, if any, of the matters described in the preceding paragraph, for the period January 1, 2021, to December 31, 2023:

- The relief association took appropriate corrective action to address the finding contained in our prior audit report.
- The relief association, in all significant respects, complied with applicable state laws, contracts, bylaws, and administrative procedures as they relate to the receipt of state aid and the expenditure of relief association funds, except as noted in the finding listed below and discussed later in this report.

Finding – Failure To Obtain A Pennsylvania Sales Tax Exemption Number

The contents of this report were discussed with the management of the relief association and, where appropriate, their response has been included in the report. We would like to thank the relief association officials for the cooperation extended to us during the conduct of the audit.

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code¹, and the Volunteer Firefighters' Relief Association Act² ("VFRA Act"), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law³ (commonly referred to as Act 205) are properly expended.

The relief association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

The VFRA Act governs the overall operation of volunteer firefighters' relief associations. Relief association bylaws define the specific operational procedures by which relief associations conduct business. To fulfill its primary purpose, the VFRA Act authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by the VFRA Act, it is the responsibility of relief associations to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the relief association officers therefore have a responsibility to the public to conduct the relief association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all relief association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the relief association operates in accordance with applicable state laws, contracts, bylaws, and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations that is or are recognized as providing the service to the municipality.

The relief association was allocated state aid from the following municipality:

YOUNGWOOD VOLUNTEER HOSE COMPANY NO. 1 RELIEF ASSOCIATION
FINDING AND RECOMMENDATION

Finding – Failure To Obtain A Pennsylvania Sales Tax Exemption Number

Condition: The relief association failed to obtain a Pennsylvania sales tax exemption number. The relief association is currently using the fire service organization’s sales tax exemption number, although the fire service organization and the relief association are separate legal entities.

Criteria: Section 7415(e) of the VFRA Act states:

A volunteer firefighters’ relief association organized or conducted in accordance with the requirements of this section shall be regarded as a charitable corporation for all purposes, including the right to establish exemption from the operation of certain taxes.

Cause: The relief association officer indicated that the officers failed to complete the Pennsylvania sales tax exemption number application.

Effect: As a result of the relief association’s failure to obtain a sales tax exemption number, the relief association may be required to pay Pennsylvania sales tax on its purchases, which ultimately reduces the funds otherwise available for general operating expenditures or for investment purposes.

Recommendation: We recommend that the relief association officials immediately obtain a state sales tax exemption number from the Department of Revenue and furnish this exemption number to all vendors from whom the relief association purchases equipment. For further guidance, please refer to the Auditor General’s publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS’ RELIEF ASSOCIATIONS.

Management’s Response: Relief association management agreed with the finding as presented at the audit exit conference and indicated they will take action to comply with the recommendation.

Auditor’s Conclusion: Compliance will be subject to verification through our next audit.
