Dear Chairman Clarke:

We have performed an examination of Fine Wine and Good Spirits Store 0216, Allegheny County, District 3-02, operated by the Pennsylvania Liquor Control Board (PLCB). We examined store operations for the period January 21, 2025 to November 24, 2025.

This report presents the results of the Department of the Auditor General's examination of store operations under the jurisdiction of the Pennsylvania Liquor Control Board (PLCB). The examination was conducted under statutory authority provided under 47 P.S. § 3-306 of the Pennsylvania Liquor Code.

This examination was conducted only to the extent that we considered necessary to determine if the wine and spirits store operated in compliance with PLCB operating procedures. The examination was not conducted, nor was it required to be, in accordance with professional auditing or attestation standards.

Our examination included:

- Conducting a physical inventory count for a selection of liquor codes and comparing our results to the store's perpetual inventory records to determine whether inventory differences in excess of \$200 in value exists for these codes;
- Reviewing deposits, consisting of cash and checks deposited manually and credit and debit card receipts deposited electronically, to determine whether deposits were appropriately accounted for and agreed with PLCB financial records;
- Reviewing Clerk Performance Reports, Ad Hoc Reports, Shipment Invoices, and Transfer Reports to determine the store's compliance with PLCB internal controls;

- Performing a count of all cash on hand to determine whether the store's cash on hand agrees with supporting store documents and bank records, and verifying whether the total store operating fund charged to the store agrees with the amount provided by the PLCB;
- Performing tests of Licensee Sales, Tax-Exempt Sales, Minor Challenges, System Prices, Register Voids, Register Deposits, and Breakage/Adjustment Controls to determine whether store operations were in compliance with PLCB operating procedures;
- Selecting liquor codes and verifying that the sales price in the store system agrees to the PLCB's approved price list; and,
- Locating and verifying that all PLCB capital assets are present at the store and comparing our results to the PLCB fiscal year asset equipment list for accuracy.

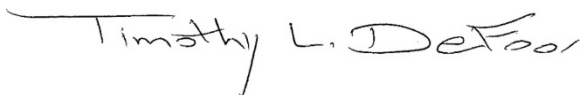

The results of our examination found that Fine Wine and Good Spirits Store 0216 operated in compliance with all PLCB operating procedures falling within the scope of our examination, except as noted in the following finding and discussed later in this report. This matter was discussed with appropriate personnel and is intended to assist you in improving internal controls.

BACKGROUND

The Pennsylvania Liquor Control Board (PLCB) operates a diverse network of retail and wholesale distribution facilities across the Commonwealth, including Premium Collection Stores, One-Stop/Supermarket Stores, Taste & Learn Stores, Lottery Locations, Wholesale Stores/Licensee Service Centers (LSCs) and an online E-Commerce Store. Each of these store types serves a distinct function – ranging from public retail and licensee fulfillment to education, special product releases, and bulk distribution.

FINDING AND RECOMMENDATION**

Finding – Instant Redeemable Coupon Used Along with Licensee Discount

Condition

Our examinations of 40 sales records for licensees disclosing the store were not in compliance with the PLCB Instant Redeemable Coupons (IRC) policy. We found 4 sales to licensees that allowed both an IRC and the licensee discount, for a total loss to the Commonwealth of \$8.00.

Criteria

PLCB's POS (Point of Sale) User Guide PROCEDURE Bulletin #32, states in part:

IRCs are for retail sale transactions. No IRCs will be honored on Special Liquor Orders, Licensee Orders, Tax-Exempt Sales or Retail Invoices.

Cause

The manager was not aware that coupons were not allowed to be combined with licensee sales using their wholesale discount. The manager was not aware of the need to attach coupons to the clerk's end-of-the-day report.

Effect

As a result of the store not complying with this PLCB procedure, the PLCB lost \$8.00 in revenue.

Recommendation

We recommend that store management establish adequate internal control policies to ensure compliance with PLCB IRC policy and procedures, which only permit a licensee to use an IRC or the licensee discount, but not both.

Management Response

The manager agreed with the finding and implied that training will be conducted to ensure that all store personnel are aware of the proper ways to conduct licensee sales.

Examiner's Conclusion

Compliance along with any subsequent corrective action taken will be subject to verification in the subsequent examination.
