TIMOTHY L. DEFOOR AUDITOR GENERAL

Board of Township Supervisors Greenfield Township Blair County Claysburg, PA 16625

We have conducted a compliance audit of the Greenfield Township Non-Uniformed Pension Plan pursuant to authority derived from the Municipal Pension Plan Funding Standard and Recovery Act (Act 205 of 1984, as amended, 53 P.S. § 895.402(j)), which requires the Auditor General, as deemed necessary, to audit every municipality which receives general municipal pension system state aid and every municipal pension plan and fund in which general municipal pension system state aid is deposited. The audit was not conducted, nor was it required to be, in accordance with Government Auditing Standards issued by the Comptroller General of the United States. We planned and performed the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our finding and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our finding and conclusions based on our audit objectives.

#### The objectives of the audit were:

- 1. To determine if municipal officials took appropriate corrective action to address the finding contained in our prior report; and
- 2. To determine if the pension plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies.

Our audit was limited to the areas related to the objectives identified above. To determine if municipal officials took appropriate corrective action to address the findings contained in our prior report, we inquired of plan officials and evaluated supporting documentation provided by officials evidencing that the suggested corrective action has been appropriately taken. To determine whether the pension plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies, our methodology included the following:

- For the period January 1, 2020 to December 31, 2024, we determined whether state aid was properly determined and deposited in accordance with Act 205 requirements by verifying the annual deposit date of state aid and determining whether deposits were made within 30 days of receipt.
- · For the period January 1, 2023 to December 31, 2024, we determined whether annual employer contributions were calculated and deposited in accordance with the plan's governing document and applicable laws and regulations by examining the municipality's calculation of the plan's annual financial requirements and minimum municipal obligation (MMO) and comparing these calculated amounts to amounts actually budgeted and deposited into the pension plan as evidenced by supporting documentation.
- · For the period January 1, 2023 to December 31, 2024, we determined that there were no employee contributions required due to the fact that employee contributions were appropriately waived by the municipality.
- · For the period January 1, 2023 to December 31, 2024, we determined that there were no benefit calculations prepared.
- We determined whether the January 1, 2023 actuarial valuation report was prepared and submitted by March 31, 2024 in accordance with Act 205 and whether selected information provided on this report is accurate, complete, and in accordance with plan provisions to ensure compliance for participation in the state aid program by comparing selected information to supporting source documentation.

The Greenfield Township Non-Uniformed Pension Plan participates in the Pennsylvania Municipal Retirement System (PMRS), which is an agent multiple-employer public employee retirement system that acts as a common investment and administrative agent for participating municipal pension plans. PMRS issues a separate Annual Comprehensive Financial Report, copies of which are available from the PMRS accounting office. PMRS's financial statements were not audited by us and, accordingly, we express no opinion or other form of assurance on them.

Township officials are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Greenfield Township Non-Uniformed Pension Plan is administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies. As previously described, we tested transactions, interviewed selected officials, and performed procedures to the extent necessary to provide reasonable assurance of detecting instances of noncompliance with legal and regulatory requirements or noncompliance with provisions of contracts, administrative procedures, and local ordinances and policies that are significant within the context of the audit objectives.

The results of our procedures indicated that, in all significant respects, the Greenfield Township Non-Uniformed Pension Plan was administered in compliance with applicable state laws, regulations, contracts, administrative procedures, and local ordinances and policies for the periods noted above, except as noted in the following finding further discussed later in this report:

Finding – Failure To Deposit The Full Amount Of State Aid Into The Pension Plan

The accompanying supplementary information is presented for purposes of additional analysis. We did not audit the information or conclude on it and, accordingly, express no form of assurance on it.

The contents of this report were discussed with officials of Greenfield Township and, where appropriate, their responses have been included in the report. We would like to thank township officials for the cooperation extended to us during the conduct of the audit.

#### BACKGROUND

On December 18, 1984, the Pennsylvania Legislature adopted the Municipal Pension Plan Funding Standard and Recovery Act (P.L. 1005, No. 205, as amended, 53 P.S. § 895.101 et seq.). The Act established mandatory actuarial reporting and funding requirements and a uniform basis for the distribution of state aid to Pennsylvania's public pension plans.

Annual state aid allocations are provided from a two percent foreign (out-of-state) casualty insurance premium tax, a portion of the foreign (out-of-state) fire insurance tax designated for paid firefighters and any investment income earned on the collection of these taxes. Generally, municipal pension plans established prior to December 18, 1984, are eligible for state aid. For municipal pension plans established after that date, the sponsoring municipality must fund the plan for three plan years before it becomes eligible for state aid. In accordance with Act 205, a municipality's annual state aid allocation cannot exceed its actual pension costs.

In addition to Act 205, the Greenfield Township Non-Uniformed Pension Plan is also governed by implementing regulations published at Title 16, Part IV of the Pennsylvania Code and applicable provisions of various other state statutes including, but not limited to, the following:

- Act 15 Pennsylvania Municipal Retirement Law, Act of February 1, 1974 (P.L. 34, No. 15), as amended, 53 P.S. § 881.101 et seq.
- Act 69 The Second Class Township Code, Act of May 1, 1933 (P.L. 103, No. 69), as reenacted and amended, 53 P.S. § 65101 et seq.

The Greenfield Township Non-Uniformed Pension Plan is a single-employer defined benefit pension plan locally controlled by the provisions of Ordinance No. 2020-02, and a separately executed plan agreement with the plan's custodian effective January 1, 2020, adopted pursuant to Act 15. Prior to January 1, 2020, the plan was locally controlled by the provisions of Ordinance No. 2013-03 and an agreement with the plan's custodian, also adopted pursuant to Act 15. The plan was established June 6, 1977. Active members are required to contribute three and a half percent of compensation to the plan; however, member contributions are currently waived. As of December 31, 2024, the plan had four active members, no terminated members eligible for vested benefits in the future, and four retirees receiving pension benefits from the plan.

## GREENFIELD TOWNSHIP NON-UNIFORMED PENSION PLAN STATUS OF PRIOR FINDING

#### Compliance With Prior Recommendation

Greenfield Township has complied with the prior recommendation concerning the following:

· Failure To Maintain An Adequate Record-Keeping System To Effectively Monitor Activity Of The Pension Plan

For the period subject to audit, the township provided annual financial statements of transactions of the custodial account of the pension plan.

### GREENFIELD TOWNSHIP NON-UNIFORMED PENSION PLAN FINDING AND RECOMMENDATION

#### <u>Finding – Failure To Deposit The Full Amount Of State Aid Into The Pension Plan</u>

<u>Condition</u>: The municipality did not deposit the full amount of its 2023 and 2024 state aid allocations into the pension plan. The municipality received its 2023 allocation in the amount of \$8,498 on September 27, 2023, but, as of the completion of our audit, \$3,167 of the 2023 allocation had not been deposited to the plan. The municipality received its 2024 allocation in the amount of \$9,389 on September 25, 2024, but, as of the completion of our audit, \$835 of the 2024 allocation had not been deposited to the plan.

Criteria: Section 402(g) of Act 205 states, in part:

... the total amount of the general municipal pension system State aid received by the municipality shall, within 30 days of receipt by the treasurer of the municipality, be deposited in the pension fund or the alternate funding mechanism applicable to the pension plan.

<u>Cause</u>: The full amount of the 2023 and 2024 state aid was not deposited into the pension plan because internal control procedures were not in effect to ensure the deposit of the full amount of state aid and plan officials were unaware of applicable Act 205 provisions.

<u>Effect</u>: When state aid is not deposited into a pension plan account, the funds are not available to pay operating expenses or for investment and the risk of misapplication is increased.

<u>Recommendation</u>: We recommend that the municipality deposit the township's remaining state aid allocations totaling \$4,002, plus interest earned during the period beyond the 30 day grace period allowed by Act 205, compounded annually, into the pension plan. A copy of the interest calculation must be maintained by the township for examination during our next audit of the plan.

We also recommend that plan officials develop and implement procedures to ensure that future state aid is deposited into an eligible pension plan within 30 days of receipt by the municipal treasurer.

Management's Response: Municipal officials agreed with the finding without exception and provided copies of checks dated August 8, 2025, payable to the custodian of the non-uniformed pension plan in the amounts of \$3,167 and \$835, respectively, excluding interest, although evidence of the deposit into the non-uniformed pension plan was not yet available as of the completion of our audit.

<u>Auditor's Conclusion</u>: Full compliance with the recommendation, including the deposit of interest due, will be evaluated during our next audit of the plan.

## GREENFIELD TOWNSHIP NON-UNIFORMED PENSION PLAN SUPPLEMENTARY INFORMATION (UNAUDITED)

#### SCHEDULE OF FUNDING PROGRESS

Historical trend information about the plan is presented herewith as supplementary information. It is intended to help users assess the plan's funding status on a going-concern basis, assess progress made in accumulating assets to pay benefits when due, and make comparisons with other state and local government retirement systems.

The actuarial information is required by Act 205 biennially. The historical information, beginning as of January 1, 2019, is as follows:

	(1)	(2)	(3)	(4)
			Unfunded	
		Actuarial	(Assets in	
		Accrued	Excess of)	
	Actuarial	Liability	Actuarial	
Actuarial	Value of	(AAL) - Accrued		Funded
Valuation	Assets	Entry Age	ntry Age Liability	
Date	(a)	(b)	(b) - (a)	(a)/(b)
01-01-19	\$ 359,039	\$ 343,394	\$ (15,645)	104.6%
01-01-21	384,700	361,549	(23,151)	106.4%
01-01-23	371,221	336,925	(34,296)	110.2%

#### GREENFIELD TOWNSHIP NON-UNIFORMED PENSION PLAN SUPPLEMENTARY INFORMATION (UNAUDITED)

The comparability of trend information is affected by changes in actuarial assumptions, benefit provisions, actuarial funding methods, accounting policies, and other changes. Those changes usually affect trends in contribution requirements and in ratios that use the actuarial accrued liability as a factor.

Analysis of the dollar amount of the actuarial value of assets, actuarial accrued liability, and unfunded (assets in excess of) actuarial accrued liability in isolation can be misleading. Expressing the actuarial value of assets as a percentage of the actuarial accrued liability (Column 4) provides one indication of the plan's funding status on a going-concern basis. Analysis of this percentage, over time, indicates whether the system is becoming financially stronger or weaker. Generally, the greater this percentage, the stronger the plan.

#### GREENFIELD TOWNSHIP NON-UNIFORMED PENSION PLAN SUPPLEMENTARY INFORMATION NOTES TO SUPPLEMENTARY SCHEDULES (UNAUDITED)

The information presented in the supplementary schedules was determined as part of the actuarial valuation at the date indicated. Additional information as of the latest actuarial valuation date follows:

Actuarial valuation date January 1, 2023

Actuarial cost method Entry age normal

Amortization method Not applicable

Remaining amortization period None

Asset valuation method The Actuarial Value of Assets is the sum of all audited

reserve accounts as of the valuation date, including Members', Municipal, Retired Members', Disability, and DROP Participants' Reserves, as provided in the December 31, 2022 ACFR, and a one-year administration expense reserve, plus any additional adjustments as made during the year by the Board of Trustees without reflecting any Excess Interest. This asset valuation is based on the unique legislative structure of PMRS and the administrative rules adopted by the PMRS Board in conjunction with

Pennsylvania Municipal Retirement Law. 1

Actuarial assumptions:

Investment rate of return \* 5.25%, compounded annually, net of investment and

administration expenses.

Projected salary increases \* 2.2%-6.22% based on age and service

\* Includes inflation at 2.2%

Cost-of-living adjustments 2.2% per year up to plan maximum

<sup>1</sup> The administrative rules adopted by the PMRS Board in conjunction with Pennsylvania Municipal Retirement Law, which are not required to comply with Actuarial Standards of Practice (ASOP) when defining the Actuarial Value of Assets (AVA), do not necessarily meet the requirement of ASOP 44 Selection and Use of Asset Valuation Methods for Pension Valuations. The AVA provided within this report follow the Pennsylvania Municipal Retirement Law and the PMRS policy statement.
