The Commissioners of Snyder County

Dear Commissioners:

We have fulfilled the requirements pursuant to authority derived from Act 148 of 1976, as amended, (62 P.S. § 704.1(a)(4)) for the submitted CY-370 Expenditure Report, the CY-370A Revenue Report, and the CY-348 Fiscal Summary, hereinafter referred to as the submitted fiscal reports, and the related financial records of Snyder County Children and Youth Services (agency). The purpose of this engagement is to ascertain and certify the actual commonwealth expenditures incurred on behalf of children residing within the county for the fiscal years July 1, 2021 to June 30, 2022 and July 1, 2022 to June 30, 2023 (herein referred to as the 2021-2022 fiscal year and 2022-2023 fiscal year). The scope of our engagement was limited to the 2021-2022 and 2022-2023 fiscal reports submitted to the Pennsylvania Department of Human Services (DHS) as part of the Act 148 Invoice Packages.

Agency management is responsible for the preparation of the submitted fiscal reports, and compliance with children, youth, and families regulations. Our engagement procedures included a review of selected agency records and other procedures we deemed necessary to enable us to ascertain and certify the actual commonwealth expenditures incurred on behalf of children residing within the county. We also performed procedures to determine the county's compliance with certain provisions of 55 Pa. Code, Part V. Children, Youth, and Families Manual, Subpart C, Chapters 3140 and 3170 (55 Pa. Code §§ 3140.1 *et seq.* and 3170.1 *et seq.*). The engagement was not conducted, nor was it required to be, in accordance with professional auditing or attestation standards. We believe that our engagement procedures provided us a reasonable basis to ascertain and certify the actual commonwealth expenditures incurred on behalf of children residing within Snyder County.

We certify the enclosed amended fiscal reports fairly present, in all material respects, the total commonwealth expenditures paid on behalf of children residing within the county for the 2021-2022 and 2022-2023 fiscal years based on the accrual basis of accounting.¹

Adjustments to the agency's submitted fiscal reports resulting from the procedures we performed during this engagement are as follows:

- For the **2021-2022 fiscal year**, our engagement resulted in one adjustment being made to the agency's submitted fiscal reports. This adjustment impacted the agency's Net State Share by increasing agency expenditures by \$9,106. Based on the application of the state participation rates, this adjustment resulted in an amount due to the county totaling \$7,284.
- For the **2022-2023 fiscal year**, our engagement resulted in one adjustment being made to the agency's submitted fiscal reports. This adjustment impacted the agency's Net State Share by increasing agency program income by \$236. Based on the application of the state participation rates, this adjustment resulted in an amount due to the state totaling \$181.

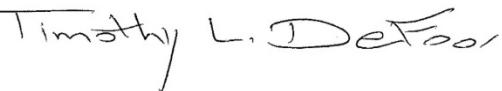

The results of our engagement procedures, as presented in this report, were discussed with agency management at an exit conference call held on October 9, 2024.

This report is being forwarded to the DHS Bureau of Financial Operations and the Office of Children, Youth, and Families for review and settlement of any recommended adjustments included in our amended fiscal reports. You will be notified by DHS of the decisions made regarding the approval and finalization of any recommended adjustment amounts and the final reconciliation of federal revenues not included in the scope of our engagement during the DHS settlement process and the impact, if any, on a future Act 148 payment. At that time, in accordance with the Commonwealth's General Rules of Administrative Practice and Procedure, 1 Pa. Code § 31.1 *et seq.*, you will be afforded the opportunity by Commonwealth DHS to appeal its settlement process decision.

¹ In accordance with DHS regulations, the expenditures reported in the enclosed fiscal reports are limited to expenditures funded by allocations made pursuant to Act 148 of 1976, as amended, (62 P.S. § 704.1) and do not include any expenditures made from other appropriations or grant funds.

We appreciate the cooperation, assistance, and courtesy granted to our representatives by your officials and agency staff. If you have any questions, please feel free to contact the Bureau of County Audits at 717-787-1363.

Sincerely,

BACKGROUND

The Department of the Auditor General (department) is responsible for reviewing the fiscal reports known as the submitted CY-370 Expenditure Report, the CY-370A Revenue Report, and the CY-348 Fiscal Summary of the 67 County Children and Youth Agencies. The department determines proper reporting and utilization of funds according to program regulations and guidelines under the Human Services Code 62 P.S. § 704.1(a)(4). The annual state Act 148 allocations are used by the counties to administer social services for the children and youth that reside within the Commonwealth of Pennsylvania, whose stated goal is “to ensure, for each child in this Commonwealth, a permanent, legally assured family which protects the child from abuse and neglect.” The Children and Youth Social Services Program is county-administered and state-supervised by DHS, with shared responsibility for achieving the commonwealth’s goal.

In accordance with the Human Services Code (62 P. S. § 703), DHS is responsible for making and enforcing all rules and regulations necessary and appropriate to the proper accomplishment of the child welfare duties and functions vested by law in the county institution districts or their successors. Title 55 Pa. Code, Part V. Children, Youth, and Families Manual, Subpart C, outlines the rules and regulations relative to the county administration of the Children and Youth Social Service Programs. Specifically, in compliance with 55 Pa. Code § 3140.31, the counties must report their cumulative actual expenditures incurred for the provision of children and youth social services on a quarterly basis to DHS through the Act 148 invoice package, which includes the fiscal reports. The expenditures reported in the Act 148 invoice package refers to all costs for dependent and delinquent children and youth services funded or administered by DHS.

We reviewed the final, cumulative 4th quarter fiscal reports submitted to DHS, the agency’s related financial records, and other supporting documentation. This was done to determine whether the agency’s actual, cumulative expenditures and revenues were properly reported to DHS for the respective fiscal years. The amended fiscal reports below include any adjustments we considered necessary to reflect the agency’s actual related revenue, expenditures, and net state share for each fiscal year in our engagement period.

We did not evaluate the agency’s provision of services or compliance with requirements in the Child Protective Services Law (CPSL). The Commonwealth of Pennsylvania Department of Human Services monitors each county’s provision of children and youth services and requires auditors who conduct the Single Audit of a county to evaluate the county’s monitoring of contracted providers of prevention, reunification, and aftercare services (services coded as in-home) for compliance with CPSL background check requirements.
