The Honorable Pat Browne
Secretary
Pennsylvania Department of Revenue
Harrisburg, PA 17128

We have conducted a compliance audit of the District Court 05-2-32, Allegheny County, Pennsylvania (District Court), for the period January 1, 2020 to December 31, 2023, pursuant to the requirements of Section 401(c) of *The Fiscal Code*, 72 P.S. § 401(c).

The objective of the audit was to determine whether the district court complied with state laws, regulations, and Administrative Office of Pennsylvania Courts (AOPC) policies and administrative procedures related to the collection of moneys on behalf of the Commonwealth, including whether moneys collected on behalf of the Commonwealth have been correctly assessed, reported, and promptly remitted.

The procedures we performed are summarized below.

- Obtained data from the AOPC and the Pennsylvania Department of Revenue and determined whether:
 - Amounts provided by the AOPC match amounts received by the Department of Revenue.
 - The district court's distributions to the state agree with the data provided by the Department of Revenue.
- Compared collections by category of fines, fees, and surcharges for each year in the audit period to prior year collections and determined the reason(s) for any large or unusual variances.
- Evaluated data related to cases without collections or adjustments to fines, fees, or surcharges and, if considered necessary, evaluated selected cases to determine whether such cases were handled appropriately.
- Obtained an understanding of internal controls related to the audit objective.
- Determined the adequacy of the design and operating effectiveness of internal controls we considered significant to the audit objective.
- Evaluated deposits of collections for accuracy and timeliness.
- Determined whether disbursements were accurate.
- Determined whether manual receipts were accurate and properly recorded.

- Determined whether voided receipts were necessary and proper.
- Reviewed selected cases to determine if the district court properly assessed, collected, and recorded all applicable fines, costs, fees, and surcharges.
- Determined whether the court complied with laws, regulations, and AOPC procedures related to the issuance and returns of warrants, collections related to warrants, and accounting for collections in the AOPC computer system.

Our audit was limited to the areas identified above and was not conducted, nor was it required to be, in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

The district court is responsible for establishing and maintaining effective internal controls to provide reasonable assurance of compliance with state laws and regulations applicable to the collection of moneys on behalf of the Commonwealth, including whether they have been correctly assessed, reported, and promptly remitted. The district court is also responsible for complying with those laws and regulations. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objective. We believe that our audit provides a reasonable basis for our conclusions.

Based on our audit procedures, we conclude that, for the period January 1, 2020 to December 31, 2023, the district court, in all significant respects, complied with state laws, regulations, and AOPC policies and administrative procedures related to the collection of moneys on behalf of the Commonwealth.

This report includes a summary of the district court's receipts and disbursements of funds collected on behalf of the Commonwealth (summary), which the Department of Revenue may use to state and settle the district court's account. We obtained data representing the district court's receipts and disbursements from the Pennsylvania Department of Revenue, which obtains data from each of the Commonwealth's district courts and used the data to create the summary in the format required by the Department of Revenue. We also evaluated the accuracy of the data as part of our audit to conclude on the district court's compliance with certain state laws and regulations as described in the previous paragraph. Other than any adjustments that we considered necessary based on our audit work as disclosed in the *Proposed Audit Adjustments* line of the summary, nothing came to our attention to indicate inaccuracies in the amounts included on the summary.

The contents of this report were discussed with the district court's management. We appreciate the courtesy extended to us by the Allegheny County District Court 05-2-32 during the course of our audit. If you have any questions, please feel free to contact the Bureau of County Audits at 717-787-1363.
