AUDITOR GENERAL**

The Honorable Pat Browne
Secretary
Pennsylvania Department of Revenue
Harrisburg, PA 17128

We have conducted a limited procedures engagement (LPE) of the District Court 56-3-01, Carbon County, Pennsylvania (District Court), for the period January 1, 2020 to December 31, 2023 pursuant to the requirements of Section 401(c) of *The Fiscal Code*, 72 P.S. § 401(c).

The objective of the LPE was to determine whether all moneys collected on behalf of the Commonwealth have been correctly assessed, reported, and promptly remitted and to provide a report to the Department of Revenue to allow the Department of Revenue to state and settle the district court's account. The procedures we performed are summarized below:

- Obtained data from the Administrative Office of Pennsylvania Courts (AOPC) and the Pennsylvania Department of Revenue and determined whether:
 - Amounts provided by the AOPC match amounts received by the Department of Revenue.
 - The district court's distributions to the state agree with the data provided by the Department of Revenue.
- Compared collections by category of fines, fees, and surcharges for each year in the LPE period to prior year collections and determine the reason(s) for any large or unusual variances.
- Obtained an understanding of internal controls related to the LPE objective.
- Determined the adequacy of the design and operating effectiveness of internal controls we considered significant to the LPE objective.
- Determine whether fine, fee, cost, and surcharge amounts were assessed in compliance with applicable laws.
- Evaluated deposits of collections for accuracy and timeliness.
- Determined whether disbursements were accurate.

Our LPE was limited to the areas identified above and was not conducted, nor was it required to be, in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

The district court is responsible for establishing and maintaining effective internal controls to provide reasonable assurance of compliance with state laws and regulations applicable to the collection of moneys on behalf of the Commonwealth, including whether they have been correctly assessed, reported, and promptly remitted. The district court is also responsible for complying with those laws and regulations.

It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the LPE objective. We believe that the evidence obtained provides a reasonable basis to support our LPE results.

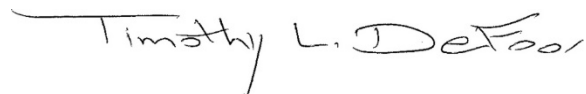

Based on the results of the procedures performed during our LPE nothing came to our attention indicating that the district court was out of compliance with state laws and regulations applicable to the collection of moneys on behalf of the Commonwealth, including whether they have been correctly assessed, reported, and promptly remitted.

This report includes a summary of the district court's receipts and disbursements of funds collected on behalf of the Commonwealth (summary). We obtained data representing the district court's receipts and disbursements from the Pennsylvania Department of Revenue, which obtains data from each of the Commonwealth's district courts and used the data to create the summary in the format required by the Department of Revenue. Any adjustments that we considered necessary based on our procedures are disclosed in the *Proposed Auditor Adjustments* line of the summary; however, the scope of our LPE does not include the issuance of an opinion on the accuracy of the amounts reported in the summary.

The purpose of this report is to determine whether all moneys collected on behalf of the Commonwealth have been correctly assessed, reported, and promptly remitted and to provide a report to the Department of Revenue to allow the Department of Revenue to state and settle the district court's account. This report is not suitable for any other purposes.

Our determination to perform an LPE for this period does not preclude the Department from conducting a compliance audit of the district court in subsequent periods.

The contents of this report were discussed with the district court's management. We appreciate the courtesy extended to us by the Carbon County District Court 56-3-01 during the course of our LPE. If you have any questions, please feel free to contact the Bureau of County Audits at 717-787-1363.
